ABOUT THE DEVOPS INSTITUTE: www.devopsinstitute.com
The DevOps Institute (DOI) is bringing enterprise level DevOps training and certification to the IT market. Working with thought leaders from the DevOps community, the IT Service Management field and the IT training market, the DevOps Institute is setting the standard in quality for enterprise grade DevOps education and training.

Course Delivery Options

1. **ONSITE training at your premises**. This is only available in South Africa. For other countries, please contact us to arrange. The minimum of 5 candidates is required; OR

2. **ONLINE webinar training** for all countries conducted via GotoMeeting. You will require a computer with a web camera and stable internet connection to attend the online instructor-led training.

Course Manual Options

All applicable pre-read course materials, course attendance instructions and exam instructions will be distributed to the candidates via email electronically. The following are the 2 options for course manuals:

1. **Digital Manual (Included in the course price)**
    o   Training manual in digital e-book format distributed via XanEdu Reader or Google for read only.
    o   Candidates will require PC or Tablet to access digital manual and access may expire after certain period depending on the course.
    o   Delivered electronically prior to the course commences.

2. **Printed Manual**
    o   Training manual in printed format that is only available for onsite training.
    o   This will be additional cost to the training per candidate, if a candidate require printed manual.
    o   Additional printed manual costs varies depending on the course.

Exam Delivery Methods

1. **DevOps Institute (DOI) accredited exams** will be conducted via **Online Proctor** with an exam voucher provided to write the exam online at any scheduled time chosen by individual candidates. DOI exams are conducted after the training session within 1 month validity. A computer with web camera and stable internet is required.

2. **AutoMyTrest accredited exams** will be conducted as part of the training duration at the end. For Onsite training, exams will be conducted in paper format invigilated by the trainer. For Webinar training, online exams will be conducted via online web portal invigilated by the trainer.

Certificate Delivery Options and Candidate Verification

Certificates are issued by default in E-Certificates formats at no cost delivered electronically. Additional cost for AutoMyTest printed and couriered certificates is R400 for South Africa and $75 USD for other countries. Additional cost for DevOps Institute printed and couriered certificates is $75 USD for all countries.

Candidate verification is required for webinar and online exams. All candidates attending the course will be verified by their identity document or passport number.
